

As part of our theme of Going Public we want not only to challenge you to engage with your community, we want to resource you. Our Exhibition and Resource Zone, located at the heart of our event site in a 1,250 metre square tent, is packed full with stands representing several Salvation Army departments and many other organizations offering a wide range of resources and services, open and staffed throughout the event.

Come and hear about this new resource developed jointly by Grooms-Shaftesbury and Tearfund that can be facilitated in your church.

This seminar will be led by Adam Bonner, Community Missions Advisor for Grooms-Shaftesbury, formerly The Shaftesbury Society. For more information visit the Tearfund Stand.
